# QuickStart Tennis

**at Sprague School**

## **Learn to play tennis! Winter program begins Thursday, January 13!**

The **USTA Quick Start** method uses modified courts, smaller racquets and foam balls so young children will achieve success quickly. Lessons are focused, fast-paced and fun!

*Research shows that tennis is one of the best and most enjoyable ways to become healthy and fit. Tennis is a great cardiovascular activity and the movements used on the court develop balance, agility and coordination.*

*Mental focus is sharpened because decision-making and concentration is necessary every time a ball is hit. It is also one of the safest of all sports and has a very low rate of injury compared to other youth sports.*

- **Classes are on Thursday afternoons from 3:30-4:30 pm in the Sprague School gym:**
  - January 13
